TURKEYS

Each Christmas we source the very best Turkeys for you, our customers. We expect high standards from our suppliers to ensure exceptional flavour, juiciness and flavour, that's why our exclusive range of Turkeys are specially reared for us in Norfolk by Robert Garner and his family.

These Turkeys are free-range Bronze and free-range Norfolk Black. The Bronze Turkey is distinguished by its plumage, which has an iridescent, bronze-like sheen. The Garner family carefully selects slow-maturing birds and feeds them the finest quality feed to guarantee outstanding taste and tenderness.

**THIS YEAR WE HAVE TWO FANTASTIC CHRISTMAS TURKEYS TO CHOOSE FROM.
BOTH CAREFULLY CHOSEN FOR THEIR SUPERIOR TASTE AND PROVENANCE.
PLEASE SEE OVERLEAF FOR THE SECOND TURKEY OPTION.**

OUR TOP TIPS FOR EXCEPTIONAL COOKED TURKEY

- Buy one of our well-reared birds to guarantee the very best quality.
- Remove the wish bone prior to cooking, as this makes carving easier.
- Remove the turkey from the fridge, and allow it to come up to room temperature prior to roasting.
- Using a thermometer probe to test when the turkey reaches 75°C is the best way to ensure your Turkey is cooked to perfection.
- Rest the bird outside the oven for at least half an hour before carving.
- To retain the best flavour remove all the meat from the bird at the end of the meal and refrigerate.

TRADITIONAL THREE BIRD ROAST

Prepared by our butchers, this dish is created using a Free-Range Bronze Turkey or a Free-Range Goose. We remove the rib bones and stuff the bird with either Duck and Pheasant breast or Chicken and Pheasant breast, along with our 'Head Butcher's Special Stuffing.'

The result is a bird that is easy to carve, tastes sensational and is a real showstopper.

For large gatherings, we recommend serving a Turkey Three Bird Roast as it serves more generous portions.

**Cost for preparing a Traditional three bird roast is £50.00
in addition to the whole bird cost.**

OTHER FESTIVE BIRDS

DUCK

The unique Gressingham Duck was created by breeding the Wild Mallard and the Pekin. The result is a bird that is renowned for its wonderful flavoursome meat with approximately 20% more breast meat than other ducks of the same weight. As well as a high proportion of breast meat, Gressingham Ducks are renowned for their rich game flavour, lower fat content and thin crispy skin. We can also stuff the Duck with Pheasant and Chicken breast to produce a three bird roast.

GOOSE

We source our free range geese direct from Botterill's Farm in Croxton Kerrial near Grantham. The Botterill family have owned the farm for over 70 years and produce some of the finest Geese. The flocks are quite a sight as they are herded through the local villages. We have sourced many Geese over the years, but we have found Botterill's to be the very best!

COCKEREL

Reared especially for the Festive table these very large Cockerels are a gamier tasting version of the classic Chicken. Full of flavour and lots of meat on the bone these birds are sourced from selected farms in Norfolk.
